Delivery Policy - ShaikMart

ShaikMart is a fictional online electronics store, used for software testing only.

1. Delivery times

- Metro cities (Delhi, Mumbai, Bengaluru, Chennai, Kolkata, Hyderabad): 3-5 business days.
- All other cities and towns: 5-8 business days.
- The estimated delivery date is shown on each shipped order.

2. Delivery charges

- Free delivery on orders above Rs 499.
- Orders of Rs 499 or less have a Rs 49 delivery charge.

3. Order status meanings

- processing: order received, not yet shipped.
- shipped: handed to the courier, on the way.
- delivered: delivered to the customer.
- cancelled: order cancelled before shipping.

4. Delayed orders

- If a shipped order has not arrived and the estimated delivery date has not passed yet, tell the customer the estimated date.
- If a shipped order is more than 3 business days past its estimated delivery date, the ticket must be escalated to the logistics team (a human). Do not promise a new date.

5. Tracking

Customers can track shipped orders from the "My Orders" page using their order ID.
