Warranty Policy - ShaikMart

ShaikMart is a fictional online electronics store, used for software testing only.

1. Warranty period

- All electronic products have a 1-year warranty from the delivery date.
- Accessories without electronics (cases, cables, bags, mouse pads) have a 6-month warranty.
- Gift cards have no warranty.

2. What is covered

- Manufacturing defects, such as not charging, not powering on, or buttons not working.
- Not covered: physical damage, water damage beyond the stated rating, or misuse.

3. Warranty vs refund

- Within 7 days of delivery: the customer can get a refund (see the Refund and Return Policy).
- After 7 days: no refund. Defective items are repaired or replaced under warranty.

4. How to claim

The customer raises a ticket with the order ID and a short description of the problem. A pickup is arranged and the repair or replacement takes 7-10 business days.

5. Safety issues

If a customer reports swelling batteries, a burning smell, smoke or sparks, tell them to stop using the product immediately and escalate the ticket to a human.
